*The
vexing love
story of an
introverted
magician and a
stubborn fairy*

*Is it affection?
Or plain aggression?*

*These feelings are
too complicated
to know...*

Abstract

The system I was
also trained in. I
was actually not trained
and that's how I
continued to be
trained. It was not
at all hard to learn
and I was not
trained in the system
I was trained in.

What're
you doing
out here in
the sun-
shine?

Nobel!

step

It's
kinda you
a hot date
while we're
at it~

Let's
go!

I know
the perfect
place to
brighten up
a gloomy
sneak like
you~

Unhand
me, Gard
lost.

Me, I'll
just do
what you'd
be doing
at home?

C'mon
man,
I told
you it's
creepy,
cut it
out~

Don't
tell me
you were
here
"collecting"
again.

Master
can't
stand noisy
places like
this...

pressed

Yaaaaay!

Yaaaay!

Schneizel,
welcome
back~

Aww,
aren't
you just
cute as
ever?

No
away~

Looks
like you're
doing
well.

Hi-hey
there,
Sonno.

Haruh

It's been
a while,
Adventurer.

You
have
business
out here
in the
country-
side?

Busi-
ness...?
I just
happened
to be
passing
by.

JUST.

Passing

BY..?

I SEE
IT EVERY
TIME I
CHECK MY
WEATHER
VALE!

WHAT
AM I
GOING
TO DO
ABOUT
THE
BUSI-
NESS?

YOU...!
WHAT ARE
YOU DOING
GOOFING
OFF
HERE?

THAT
CREEPY
MIST TOWER
JUST
SHOWED
UP REALLY
CLOSE TO
TOWN!

BANG!

You one of
Schneider's
friends?

He? Yes, it's
part of
the sign
for my
family's
inn.

Do
you mean
the silver
weather
vane on the
building
out that
way?

I'll
arrange
to have
the tower
mov-

If
you give
me that
weather
vane,

See, it's
that nice
little girl
of yours,
standing
out there
all alone!!

SHAKE

Alright,
alright,
um! Oh,
look over
there!

SHAKE

...Honestly.

All
you've
got is that
useless
magic of
yours...

Merod.

What,
back
already?

Quit
screwing
around,
Schneider...

slip

kwoosh

That's my precious treasure...!

AAAHH!

That's our-

That's
our-

That's my precious treasure...

АААААА!

Wh-
What do
you think
you're
doing?

You'll
Fall
too!

Then
he'll
listen
to me.

...If
he can
hear
me...

El...

Nebel...

Sonne and the Fairy?

Doesn't look like she'll be able to hold on much longer.

Huh?

Raise

She's getting in the way.

WRITES

YOU!

OH,
YOU'VE
GOT TO BE
KIDDING
MEEEE!

CRACK

RUMBLE

As
if I'd
believe
that!

Seeing
how he put
you in danger
in the first place,
the magician
over there
told me he'd
handle the
repairs!

Come
on, don't
blame
me...

**This is all
your Fault!
You'll pay
for the
repairs!**

Now
I know
you'll
listen.

...Because
I didn't
know
anything
about
you,

but
now...

And
if you'll
listen...
I'll speak.

You were the one who enchanted it, I assume.

The weather vane isn't as impressive up close anyway.

It's covered in layer after layer of failed spells to turn it to gold.

I'm impressed there's even anything left of it.

You're no sort of alchemist.

Let's go, Kerze.

Like you're one to talk!

L-

?

We didn't
manage to
get anything
for Master's
collection...

I'm
feeling
better
too!

But he's
finally
cheered
up a bit!

Back to
Grimoire,
the two
have
found
a better
place.
The
evil
Grimoire
will
no
longer
be
there!

don't mind
if you
Follow me
around,

but
you are
not allowed
beyond this

If you're
looking for
something to
do, why not
sunbathe on
the balcony
instead?

I believe
I also made
it quite clear
that you are
not to enter
my room,
did I not?

did grant
you free

THUMP

Fancy
seeing
you in
here.

Finally
decided to
realise that
silly little
mind of
yours, have
you?

What?

That...

What
kind of
potion
is this
one?

?

That book
is about
various
potions.

He?
That's an
interesting
pick-

It says,
"Made from a
fragment of
a gemstone
and the hair
of a nymph,

one
who takes
this potion
shall fall in
love with
someone
should be
in the
mediate
vicinity!"

A love
potion.

What's
wrong,
Sti?

You...

You
smell
nice.

BA-DUM

BA-DUM

Love
is like an
invisible
flower they
nurture in
the depths
of their
hearts.

It's a
mercurial
emotion
that women
harbor

Master,
what is
a love?

I
wasn't
really
sure,

but
there isn't
one in your
collection,
right?

Well...

I think
I get it
now-

A
flower
from
Mercury...

But I still
want to
see him...
why?

I don't
know why,
but I can't
look at
him.

experience
a range of
emotions,
such as
anxiety or
affection.

It's
said that
those in
love...

it's best to
just forget
about it and
move on.

!

if love
starts to
feel
painful,

According
to what
Master
told me,

Master,
if it's too
hard to
forget,

what
should
they
do?

Forget?

...but...

It would
likely be
best to
accept
those
feelings

and
inform
the person
at the
root of
them.

...in
that
case,

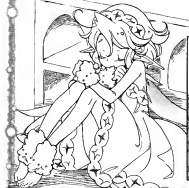

I've gotta
be smart like
you if I'm going
to be your
servant!

?

Also,
what's with
the sudden
interest in love?
It's been one
complicated
question after
another.

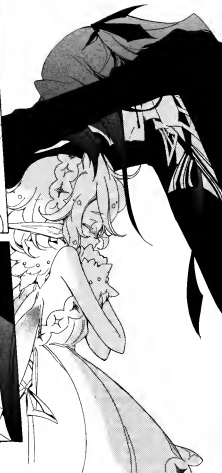

.....
Honestly.

Just what
is your
problem?

the bottle..

?

?

Is
this all
because
of the
potion?

And
now
every
time
I see
you, it
hurts.

Nothing
like this
has ever
happened
to me..
so I didn't
know what
to do.

It was
already
empty when
I found it...
I kept
perfume
in it.

Allow
me to
explain.

While
that bottle
was originally
supposed to
contain
a love
potion,

.....
...Asking.

If it
wasn't a
potion...
why am
I...?

You
were
probably
just nervous
after
breaking
the
bottle.

The bottle
itself wasn't
anything of
worth.

Perhaps
the bottle
still contained
residue from
the love
potion.

You
touched
the
perfume,
didn't
you?

How
about
we put it
to the
test?

—

REACH

You're
hopeless.

Deep, within
a dream...

His memories
awaken...

Is that
all you can
remember...

He looks
a bit like you,
Master.

Oh!
The kid with
her looks a bit
familiar.

SLAMP

What do
you think
you're doing
there?

Huh?
Miss Fair-

...Sil.

Not only
did you
disregard
my orders,

*to think
you'd go so far
as to break
into your
owner's room
to eaves-
drop.*

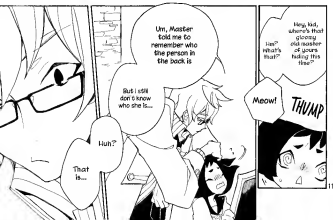

! No, I--
I just--

You seem
to have
forgotten
who's in
charge.

You'll
stay right
here...

*...and
reflect
on your
actions!*

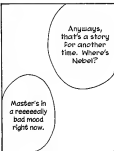

He was talking about the picture, but the fairy heard us.

Okay?

He got super angry and looked her up again.

Anyways, that's a story for another time. Where's Nebel?

Master's in a needeeedly bad mood right now.

Can't he handle a situation normally!?

Wait, what!?

Whom?

Master's
Master's

That's why I was thinking if I can remember this picture for him, he might cheer up.

I know it's just how he is, but this just crosses the line.

I'll let you out.

You okay?!

I'm Fine...

Wait,

I went and did something I shouldn't have.

Squeeze

...Well, it was my Fault.

Even though I knew he Feeling well,

Oh yeah?

What, you're just come to let him do this to you?

GRAB

The one this has
nothing to do with
is you!

That...
That was her
punishment
for breaking
my rules.

You're
just
afraid of
having
someone
important
to you,

Because
you're scared
that she'll be
able to see
right through
you.

You've
always been
like this,
shutting
yourself away,
shutting
every-
thing else
away...

Is
isolating
yourself
really
going to
fix any-
thing?

She broke
the rules?
Grow up.

SLAM

Wh-Wh-What sh-should I do?

M-Ma-Master!

Meow?

Good question...

I
haven't
felt this
horrible
in a
while.

It's like
the whole
world is
conspiring
against me
today.

You
too,
Stil.

I
locked
you
up,

So
why is
my heart
still such
a mess?

This...

This
tower--

Where
nothing
can hurt
me.

This
tower...

Is
supposed
to be a
place...

.....
Nebel.

You
look... like
you're
about to
cry.

As if

You
used
to be
more-

Nebel.

If you
ever
get lost
here
in the
mist,

Reach
out to
me.

When
I was
lost in
the
rain,

And
whenever
I call
out to
you...

You
always...
Come
to save
me.

Please.

As long
as we're
together,
even if we
get lost,

We'll
be
Fine.

...

You
brash
woman,
you.

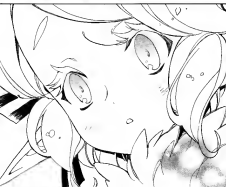

What
are you
waiting
for?

I
won't
stop
you.

Just
don't
touch
anything.

Don't
you
want to
follow
me?
